After returning from his military service in FEB 1959, he was promoted to Cost Accounting Supervisor and remained in this position until JUL 1965. In 1963, he attended several IBM schools and was given the additional duties of IBM 1440 computer programmer. He designed and wrote programs for several systems. He then went to Joslyn Stainless Steels in Fort Wayne, IN and spent 18 months working as a programmer. In 1967, he went to the Indianapolis Hospital Development Assoc. (IHDA) and worked as a programmer for one year. In 1968, he went back to McCray as a programmer and worked for several months until he accepted a job as computer programmer with Lyall Electric, Inc. of Albion, Noble Co., IN. He designed several systems and wrote the necessary programs for almost nine years then went to the Magnavox Corp. in Fort Wayne, IN where he worked until his retirement 1 MAY 1991. While at Magnavox, he was a programmer, senior system analyst, development manager, and manager of production support. All in all, an interesting career! SPORTS: He is an avid sports fan but never played any organized sports until 1961 when he started playing golf and signed up for a bowling league. Bowling became his main sports interest and after much practice reached the coveted 200 a game average in 1971. He bowled his first 700 3-game series in 1969, and bowled a very rare 806 3-game series in 1994 when he was 60 years old. In 1998, he was still

averaging 210 in three leagues, and had bowled 35 3-game 700 series along with almost 1,200 3-game 600 series. During the 1970s, he bowled for five years in the Professional Bowlers Association Headquarters Region tournaments. His only accomplishment in golf is a hole-in-one on hole #14 at Brookwood Golf Club in Fort Wayne IN in May 1982. Curiously, he is a right-handed bowler but plays golf left-handed.
